NOS Philosophy: This is an **Ease of use and Time savings strategy.** It is for those who like the concept of a Keep Fill, want some level of control, but don't want to be held up by all the constraints and price of a Vending System.

FLEXIBILITY

Stock the right items for your job or shop. Use the size of container that is best for you.

USE

Access your inventory when you need it. Eliminate costly down time by having the right items on site .

TRACK

Keep track of inventory counts and usage, Visually in the box, on a spreadsheet or with the NOSFill App.

ORDER/REPLENISH

Order product or have Edge replenish routinely. Optional NOSFill App makes replenishing Quicker.

You Control the Inventory!!

1. MEET WITH A SALES EXPERT
